Meet and Greet with Santa and Christmas Potluck Dinner
And 2016 Planning session

We heard from Santa and he apologized for not being there in the past to meet and greet his special friends in the Autism Spectrum community. So this year, he will be at the potluck dinner between 6:30 PM and 8:00 PM to spend some time with our families, especially our kids. This will give the parents time to discuss prevailing topics and issues such as

Coping with the holidays and your child!

Newly diagnosed? Come talk to us about next steps!

Workshops and presentation topics for 2016

Serve on a committee or help with a presentation

Bring a dish if you are so inclined but bring your questions, experiences and coping skills to share.
